FOR IMMEDIATE RELEASE

California Landscape Architect Transitions to International Organization's Past President

RESTON, VIRGINIA (UNITED STATES) – October 18, 2018 – Christine A. Anderson has transitioned to Past President and Chair of the Committee on Nominations for the Council of Landscape Architectural Registration Boards (CLARB) after concluding her one-year term as President of the organization. She will serve in these roles through September 30, 2019.

The CLARB Committee on Nominations is responsible for identifying and vetting candidates for CLARB leadership to ensure the organization has the most effective, qualified individuals to lead us toward our organizational goals. The committee is also responsible for identifying opportunities to improve and enhance our nominations and elections processes and procedures, and encouraging participation of all members in the elections process.

Anderson is a Project Landscape Architect with Mark Thomas & Company, a multi-disciplinary California-based professional services firm specializing in transportation planning and design. She is an integral member of the Landscape Architecture and Urban Design division, preparing planning and construction documents for streetscapes, bridges, active transportation, downtown revitalizations, and park and recreation projects.

Additionally, Anderson served on the California Landscape Architects Technical Committee from 2003 until 2012. She has been involved with the Sierra Chapter of the American Society of Landscape Architects since 1991, serving as a Member-at-Large, Secretary, President-Elect, President and Past-President. She also served on California Polytechnic State University’s Landscape Architecture Department Advisory Committee (2003–2007) and as a Board Member and Special Projects Coordinator of the Laguna Creek Watershed Council (2010–2012).

Outside of landscape architecture, Anderson has volunteered with Girls Scouts since 2004—volunteering as Daycamp Programs Director, Service Unit Treasurer and Troop Leader. She has also served as Elk Grove High School PTSA Secretary (2013–2016) and Joseph Kerr Middle School Booster Club President (2009–2011).

Anderson earned a Bachelor of Science in Landscape Architecture from California Polytechnic State University, San Luis Obispo and an Associate of Science in Architecture from Bakersfield College. She is licensed in California.

About CLARB

Since 1970, CLARB has been dedicated to ensuring that all individuals who affect the natural and built environment through the practice of landscape architecture are sufficiently qualified to do so. CLARB works to protect the public’s health, safety and welfare by establishing and promoting professional licensure standards for education, experience and examination required for the profession of landscape architecture. CLARB's members include the licensure boards that regulate the profession of landscape architecture in the United States; District of Columbia; Puerto Rico; and the Canadian provinces of Alberta, British Columbia and Ontario.
