FOR IMMEDIATE RELEASE

North Carolina Landscape Architect Elected President-Elect of International Organization

RESTON, VIRGINIA (UNITED STATES) – October 18, 2018 – Stan Williams has been elected as President-Elect of the 2018–2019 Board of Directors for the Council of Landscape Architectural Registration Boards (CLARB), which he will serve through September 30, 2019.

Previously for CLARB, Williams served as the Vice President (2017-2018), Treasurer (2015-2017), Region 3 Director (2013-2015) and Region 3 Alternate Director (2011-2013). He has been active with CLARB since 2005 and has served as a member of the Governance Enhancements Implementation Task Force as well as a CLARB representative to the North Carolina Board of Landscape Architects.

During his eleven-year service on the North Carolina Board of Landscape Architecture, Williams served as Chairman, Vice-chairman and North Carolina representative to CLARB. He co-authored the NCBOLA Bylaws, Code of Professional Conduct and Administrative Rules and chaired the Disciplinary Review Committee.

Locally, Williams has brought landscape architecture and project management services to public and private projects, including parks, streetscapes, military complexes, and residential and commercial developments. He has a long history with the landscape architecture program at North Carolina State University where he has served as a student mentor, alumni advisory council member and guest lecturer. In the spirit of serving his community, he works as a precinct official for the local board of elections.

Williams is a Vietnam veteran and proudly served as a member of the design and installation team for the Vietnam Veterans Memorial. The Memorial is located on the State Capitol Grounds which were designed by the Olmsted Brothers and are designated as a national historic site. Williams’ career as a practicing landscape architect spans nearly four decades and he is currently licensed in North Carolina and holds emeritus status in South Carolina and Virginia.

About CLARB
Since 1970, CLARB has been dedicated to ensuring that all individuals who affect the natural and built environment through the practice of landscape architecture are sufficiently qualified to do so. CLARB works to protect the public’s health, safety and welfare by establishing and promoting professional licensure standards for education, experience and examination required for the profession of landscape architecture. CLARB’s members include the licensure boards that regulate the profession of landscape architecture in the United States; District of Columbia; Puerto Rico; and the Canadian provinces of Alberta, British Columbia and Ontario.
